

Sicky666 - Abaddon

Abaddon, I can't help it,
I have to look at... At...
The Angel of Death,
Destruction and the end.

Greek Appolyon;
Beautiful Art thee,
Satan and Samael;
Equated with...

Conjuring spells,
For malicious deeds.
Abaddon, Prince
Ruling the Demons that is.

I love thee pretty sight,
I love thee enormous might.
Governing powers of evil,
Discord, war, devastation.

Abaddon was once a place,
And is now erased.
A place of destruction,
Region of Gehenna

Associated with the grave,
The underworld and Sheol.
Abaddon and Death together,
Merging as One...

King of the Abyss,

The bottomless pit of Hell.

Appolyon, Abaddon;

Pestilence and destruction hence!
